

Ken MacDonald & Co

Lawyers and Estate Agents

New Year Offers

For anyone with friends, neighbours or family located within the isles interested in enquiring about the making of a will and/or a Power of Attorney we would be more than happy to discuss any requirements with you in the New Year. We have a private consultation room located on our ground floor and all first consultations are free of charge. Information sheets exist on these topics and all other services we provide as a firm of General Practitioners. These are available from our office or on our website.

During the months of January and February 2012 we offer to prepare wills free of charge and provide a discount for powers of attorney when both items are instructed at the same time. Further offers exist for clients throughout the year when instructing us in other matters.

Powers of Attorney are not just for the elderly. They are now just as important, if not more so, than the granting of a will. For this reason we would encourage anyone and everyone to consider granting one and ensure that all loved ones are made aware of their existence and importance. We are always happy to discuss any queries or requirements with you.

We look forward to being of service to you throughout 2012.

working in the community for a better community...
