Licensing Board

Ken MacDonald & Co has a long and successful tradition of appearing before the Western Isles Licensing Board. The Licensing (Scotland) Act 2005 however completely altered how alcohol licences are granted in Scotland. We in Ken MacDonald & Co have adapted our service to reflect this change.

We played an active part in the consultation process and prepared ourselves in advance, thus ensuring that we could guide our established clients through the transitional process free of charge.

For new clients we can represent you through the new procedure but are also more than happy to act in an advisory capacity if so desired.

Should you require our assistance contact Mr MacPherson who will be happy to help.
